

McKesson SupplyManagerSM Lets You Leave Your Shopping Cart...And Come Back Later!

Sometimes when you place orders online, you may have to step away. What happens to the items already in your cart? McKesson SupplyManagerSM allows you to **“Suspend”** your cart, letting you save cart contents and add to or submit the order later. Just select **“Suspend Cart.”** If your cart times out before you submit an order, SupplyManager automatically suspends it for you.

To retrieve your suspended cart, hover over your name and click “Your Carts” to continue from there.

You can recover your cart by clicking on the cart number. You also have the option to merge or delete carts to the right.
