

# Government healthcare, simplified

## McKesson has the experience and expertise to meet the specific needs of government customers

Government facilities like yours work hard to provide the best in care. McKesson can help to make that simpler. Our experienced sales, customer service and sales administration teams have expertise in supporting the unique needs of government healthcare. Paired with our wide range of clinical resources and commitment to service, you can be sure to get the efficiency and support you need.

We serve medical providers across the full spectrum of government sites: VA, VA Homes, Military, Corrections, Bureau of Indian Affairs, HHS, Children and Family Services and Schools (K-12 and Higher Education).

## We proudly serve many government customers

We support government healthcare professionals with the products, programs and solutions that help them enhance the health and care of the patients they serve. In addition, our government Account Managers are dedicated to the specific needs of our customers including:

- Government Contracts
- Government Bids
- Government GPOs
- Government Coops
- Government Compliance

**As a government entity you will enjoy the following McKesson benefits:**

Fully integrated  
and dedicated team

Single source for interaction  
and implementation
