

Focus on delivering care. Not your equipment.

Equipment service is complicated, costly and unpredictable. You never know when a pump might fail, or where to send it to get fixed. The good news: McKesson will do it for you. All of it. From warranty work to audit documentation, you can now leave all things service-related in our hands so you can focus on your patients.

McKesson Biomedical Solutions™ offers:

- Preventative maintenance, repairs and warranty issues
- Seven network locations located from coast-to-coast with more than 150 technicians
- Repair and service history documented by McKesson OneTrack™ for compliance audits
- Quick turnaround on preventive maintenance and repairs
- Maintenance and repair status of each device through McKesson OneTrack™
- McKesson Biomedical Solutions™ specialist teams ready to support you

McKesson Biomedical Solutions™

Not equipped to take care of equipment repairs?

We can help. Let McKesson handle all your service needs.
