

Reduce paper and save time by using Okay to Pay on McKesson SupplyManagerSM

Within McKesson SupplyManager, **Okay to Pay** allows you to accept and approve invoices online – helping you become eco-friendly with paperless processing. Reconcile a three-way match with packing slips, purchase orders and invoices electronically, and save hours spent sorting through paper. Create a more efficient process by eliminating the need to mail, fax, and scan hard copies of invoices.

Additional benefits of Okay to Pay:

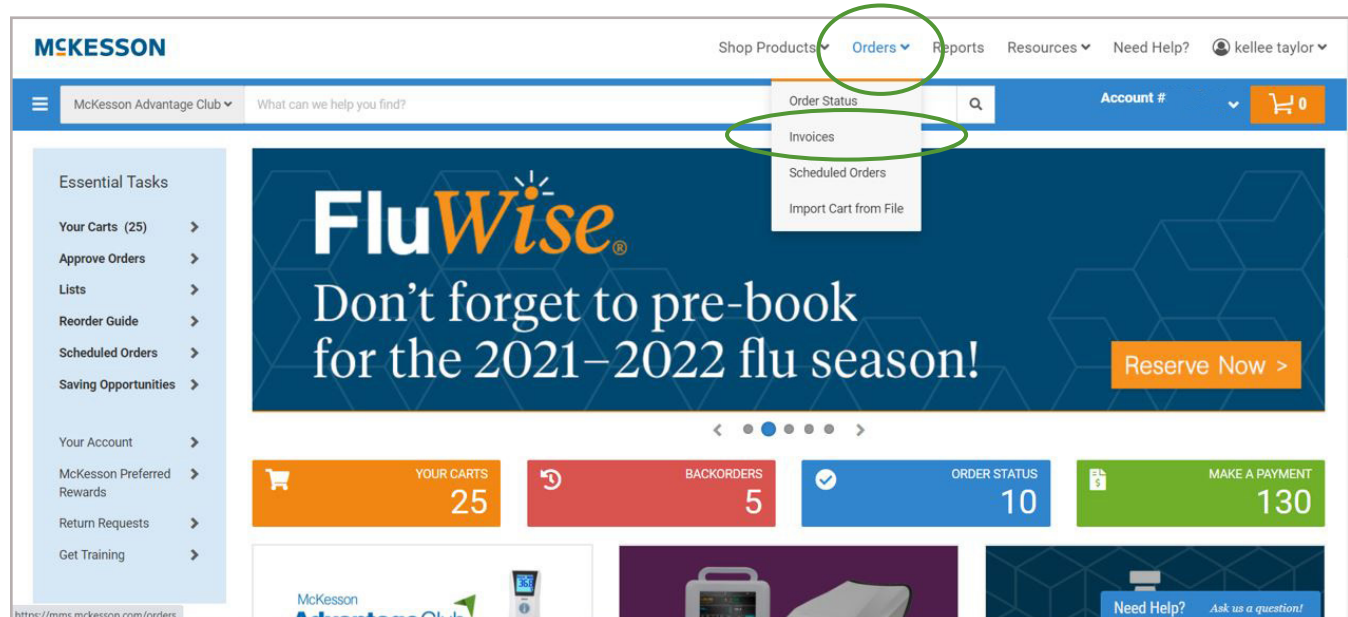

- With Okay to Pay and electronic processing, you can eliminate monthly paper mailings
- Stay on top of your billing to help reduce days outstanding
- Access detailed reports online for the past 24 months, including approved, open and paid invoices
- Set permissions and control who can approve invoices
- Easily identify payments received by McKesson Medical-Surgical
- Generate and export reports, including summaries and line-item details

To enroll in Okay to Pay:
